

BODEGAS MARCO REAL

CELEDÓN

MARCO REAL

GRAPE VARIETIES

Tempranillo and Graciano.

VINIFICATION AND AGEING

Protected by Sierra de Cantabria, this wine has been made from old vineyards, located in the heart of Rioja Alavesa at 550 meters altitude.

Malolactic fermentation takes place, 50% in oak barrels and 50% in cement vats.

TASTING NOTES

Colour: High intensity colour.

Nose: Aromas of coconut, cocoa, black pepper and ripe red berries.

Mouth: silky and smooth entrance. Elegant, mineral, with a hint of sweetness and a balanced acidity that makes it a very pleasant, full-bodied wine with a long finish.
